

GCU SOCCER CLUB

SPONSORSHIP FORM

WHO WE ARE:

A Youth Soccer Organization for young men and women ages 5 through 16. Teams consist of local players from Gibbstown and Paulsboro but surrounding areas are welcomed. Our program runs for the Spring and Fall Seasons.

OUR MISSION:

Our hope is to create an exciting experience for our young players. It is our desire to give each player the necessary training to be able to compete and enjoy the wonderful game of soccer. To achieve these goals, we are looking to begin year round indoor clinics. Once the weather breaks, we will take to the outdoor fields. The players will be taught the skills needed to compete against various talents in South Jersey. While doing this, we hope to create teams that will potentially play together for many more years to come.

YOUR HELP:

Our teams compete in games and tournaments all over Southern New Jersey. The cost of our insurance, uniforms, league, tournament and referee fees, practice space, equipment, etc. continues to grow every year. We are asking for your support and generosity for the organization to develop against some of the best competition in the area. Without your support this would not be possible! With your help we are making our Complex a great place to play and give us the ability to host our own and other local organizations tournaments. We also want every child to be able to play regardless of family financial difficulties though a club fund specifically for those needs.
